

## Copes Corner 2020 Season Introduction - Jerry and Penny Grocholski

If we look a little excited, it's because we just received the news that we are going to be the Camp Hosts and Caretakers for Copes Corner Park starting on May 1, 2020.

Please let us introduce ourselves. We are the Grocholski's, Penny and Jerry. Penny was born in Syracuse, and Jerry in Detroit. We are full time RV'ers and travel with our rescue fur-baby, Bailey. We are going to be in Butternuts in the late part of April, to get acquainted with the area and settle in. We each have decades of experience in customer service. We have a passion for the outdoors, hiking, kayaking, biking, RV life and camping in general.

When we saw the posting for the caretaker position and the opportunity that it offered, to be part of the community and the rich history that the area and park have, we jumped on it and applied immediately. Then, after waiting for the Town Board to meet, and anxiously awaiting their decision, we got the news that we had been selected.

Since then, in the short time, we have spoken with quite a few of the Board Members, all of them have been very supportive and helpful, answering all of our questions.

To say that we cannot wait to get there, and get started on what will be a very exciting and eventful season at Copes Corner is a great understatement. But, it does give us time to work with the Board to come up with some fun events for the 2020 season.

We plan on working hard to make this season at Copes Corner Park an unforgettable one. Making some memories along the way that will last a lifetime. A season that local folks, travelers and visitors alike will remember for a very long time.

We would like to thank the Town Board for having the faith in us and want them and the Town to know that we will strive to exceed your expectations.

Looking forward to meeting you all at the Spring Fest, Saturday, May 2nd, 2020. Please make sure to come and say hello. Hoping to see you there, Jerry and Penny Grocholski, and Bailey too.
